

Bamboo Bottom Bottle

The bamboo bottom bottle not only boasts a large branding area for full wrap printing and engraving, but also features a bamboo lined base, giving it a desirable eco-friendly look and feel. The reusable bottle features a double-walled insulated SUS 304 stainless steel body, keeping your beverages hot or cold for hours after. The bottle has a generous capacity of 500ml, which can be easily refilled and reused throughout the day. The bottle can be fully wrap printed or wrap engraved, making it a ideal for any brand looking for a bottle with a sustainable finish.
