

Bamboo Lid Bottle

The bamboo lid bottle not only boasts a large branding area, but features a bamboo and woven string carry handle giving it a desirable eco-friendly look and feel. The reusable bottle features a double-walled insulated SUS 304 stainless steel body, keeping your beverages hot or cold for hours after. The bottle has a generous capacity of 500ml, which can be easily refilled and reused throughout the day. The bottle can be printed 1-2 spot colour, full colour or engraved, making it a great reusable bottle for any brand looking for drinkware with a sustainable design.
