

Cork Wireless Charging Pad

Wirelessly charge your Qi enabled devices on your bedside table or desk with the Cork Wireless Charging Pad, bringing a eco-friendly look and feel to modern technology. Simply plug the included cable into the Cork Wireless Pad and connect to power- then place your wireless charging enabled device on top to receive wireless 5W power. The sustainable cork exterior can be printed across the entire pad within the stitching, achieving eye-catching branding for this unique eco-friendly wireless charger.
