

DIGITAL WIRELESS EARBUDS

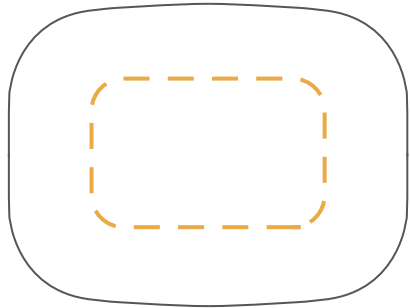

The Digital Wireless Earbuds bring you all the luxuries of traditional earphones, just without the struggle and mess of tangled cables. Enjoy your favourite music or talk hands-free for up to 4 hours. When your Earbuds are low on battery, simply place them back into the 300mAh charging case and monitor the battery levels using the digital display inside the case. With a Bluetooth range of around 10 metres, these digital bluetooth earphones can be easily branded on the case, creating a unique and high-quality gift.

Features

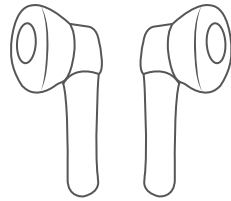

- ✔ Bluetooth V5.0 stable and fast connection, support up to 10 meters distance
- ✔ Digital display shows power levels for the case and individual earbuds
