

SMART *eco*-STRAW

The Eco Straw is the perfect replacement for single use plastic straws- eco-friendly and stylish, the Eco Straw is a must have gift. The Smart Eco Straw is made from food grade 18/8 premium stainless steel meaning it is BPA and lead free! Enjoy your favourite drinks from coffee to milkshakes, without the metallic after-taste that other reusable straws leave behind. The Eco Straw is very easy to clean, coming with a flexible cleaning brush to clean the inside of the straw, and being dishwasher safe means you can clean and re-use your Eco Straws again and again!

*Please note: These product images are used for illustration purposes only and the colours of the final product may vary slightly.
