WOODEN BLUETOOTH EARBUDS

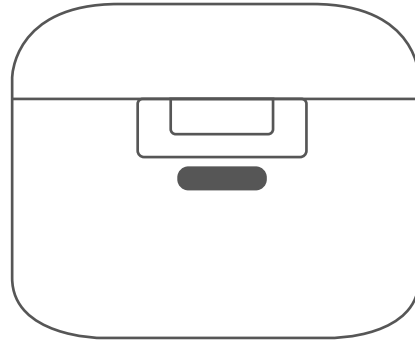

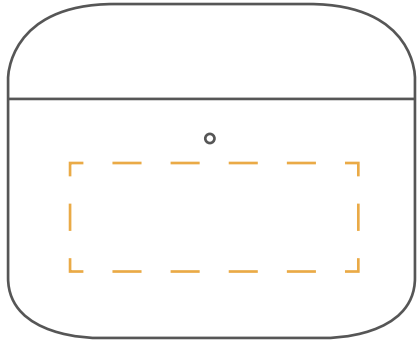

The Wooden Bluetooth EcoBuds brings you all the luxuries of traditional bluetooth earphones, but with a casing built using eco-friendly wood and wheat straw. Enjoy your favourite music or talk hands-free for up to 5 hours, and when your EcoBuds are low on battery, simply place them back into the 240mAh charging case which will fully charge your EcoBuds in just 1 hour. With a Bluetooth range of around 10 metres, these eco-friendly alternative to traditional bluetooth earpods can be easily engraved on the front of the case, creating a unique and high-quality gift.
