## 70W All-in-One Fast Charging Travel Adapter ECO rPC Recycled Casing

Stay powered anywhere with GoPlug Pro, the all-in-one travel adapter designed for seamless global use, supporting input plugs across the US, EU, UK, AUS, CN and IN, with output compatibility for USA Type A, UK Type G, AUS Type I and EU Type C. Featuring an integrated 70W fast-charging Type-C cable, plus 2 USB-A and 2 Type-C ports, it allows you to charge up to 7 devices simultaneously from one compact unit. Powered by advanced GaN technology, it delivers faster, more efficient charging in a smaller design, while the housing is made from up to 60% recycled polycarbonate (rPC) for a more sustainable choice. Built-in protection against over-voltage, over-current, overheating and short circuits ensures safe, reliable performance wherever your travels take you.

### Eco-friendly & Environmentally Sustainable

The GoPlug is made up of an impressive 60% recycled polycarbonate (rPC) and uses GaN technology, which across Europe could avoid 1-2million tonnes of CO<sup>2</sup> per year- equivalent to planting around 50-90 million trees annually.
