LUMINOUS CABLE CHARGE
BRIGHT ILLUMINATION

ECO FRIENDLY

Make your logo shine with the ECO 5-in-1 LED Multi Cable- featuring wheatstraw cables, a bamboo top, keyring attachment and a LED engraved front. This ECO cable is compatible with almost all devices, with Type-C, Lightning and Micro-USB connections, and Type-C to Type-C charging function. LED printing has huge potential to make your logo glow when plugged into a power source, especially with the full colour option that will make your logos colours shine. Thanks to the cables bamboo and wheatstraw finish, this product is the perfect eco-friendly product to make any brand glow.
