

LIGHTSPEED PRO

1.2 Metre 65W Type-C Fast Charging & 2.5W Watch Charger

Light Speed Pro is designed for maximum brand impact, combining 65W fast charging and secure data transfer with added versatility through integrated Lightning and Type-C cables, plus a 2.5W smart watch charger for Apple and Samsung. Made from 84.5% sustainable materials, it features a premium full-colour LED-engraved logo for eye-catching illuminated branding, making it a powerful, everyday promotional charging solution. Add optional NFC technology to instantly link users to websites, campaigns, or digital profiles, turning every cable into a smart promotional tool.
