

MILI

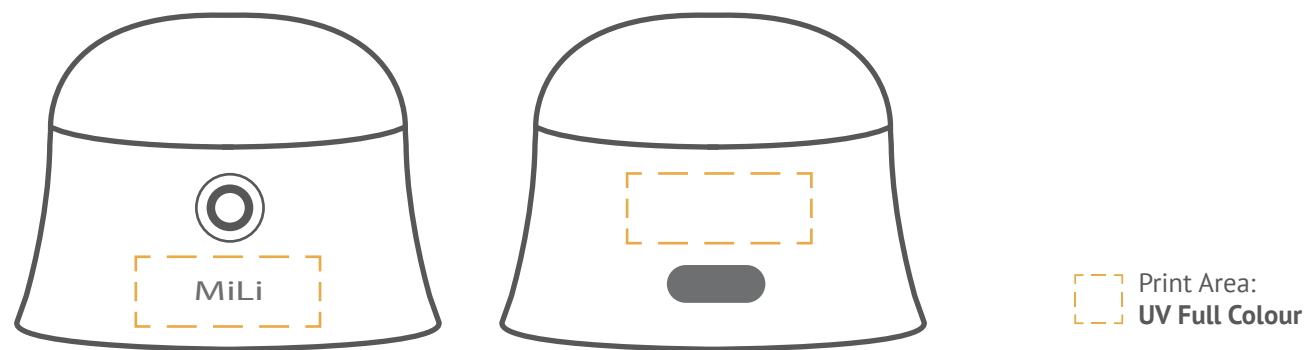

MAG SOUNDMATE

Most smart phones do not provide a quality level of sound when listening to music out loud. That's where the MiLi Mag Soundmate comes in! The compact bluetooth speaker will stick to the back of your MagSafe enabled iPhone. Not only does it stick to the back of your phone, the powerful magnets will attach the speaker to any metal surface allowing you to listen to your favourite songs anywhere! If you can't find a metal surface, do not worry- you can attach the Mag Soundmate to a flat surface using the sticky rings found on the base of the speaker. Whilst it's main function is delivering high sound quality, the Mag Soundmate can also be used as a phone stand allowing you to watch movies, play games or just listen to music.

- ✓ Attach to your MagSafe enabled iPhone to use as a speaker support on the go
- ✓ Impressive listening time of 8 hours, with only a 1.5 hour charging time
- ✓ Small and lightweight, perfect for listening on the go
- ✓ Full colour and Spot colour branding
- ✓ Lead Time: 2-3 Weeks
- ✓ MOQ: Get in touch
