

# Reusable Face Mask

Washable | Comfortable | Full Colour Branding

Help protect yourself and others with the new washable and reusable face mask. Manufactured from elastic fibres (95% polyester and 5% elastane), the face masks can filter small particles from the air to keep you protected. Supplied individually packed for a quicker and safer distribution. The masks can be full colour branded, allowing a bespoke and eye-catching finish for any brand.

- Lightweight and Comfortable, offering excellent protection
- One size fits all with elastic ear loops (**Kids sizes available**)
- Mask will keep its shape, even after washing

## Breathable and Skin Friendly

- High-quality elastic fibres, filtering the air you breathe
- Soft and Skin Friendly, ideal for sensitive skin
- Protects you from Spray and Splashes

## Washable and reusable

- Cheaper and more Environmentally Friendly than disposable masks
- These masks can be Washed and Reused Repeatedly
- Individually Packed for Safer Distribution

## Protective Face Mask

- **1x** Reusable microfibre face mask
- **1x** Sealed plastic sleeve
- **Full Colour** branding available
