# Type-C Hub PRO

Turn your laptop's singular USB Type-C port into one USB Type-A port, one Type-C port and two HDMI ports. The Type-C Hub Pro increases your laptops connectivity by adding all of this through one singular Type-C connection. The Type-C Hub Pro doesn't need an external power adapter, which makes travel more convenient and workstations less cluttered! Coming in a sleek dark metal finish and boasting a large branding area- the Type-C Hub Pro is the perfect accessory for your laptop.
