

SMART RING HOLDER

Looking for a premium ring holder and stand for your devices? The Smart Ring Holder is a convenient and stylish phone grip to reassure a secure hold on your device and also a reliable stand for those long journeys. Use the 3M adhesive strip to secure the Ring holder onto the back of your phone or phone case and then take advantage of its 360° rotation and 180° angled stand. The handy ring holder can be fitted onto any smartphone no matter what make or model, making this the perfect accessory to keep your device secure in your hand!
