# SMARTPHONE THERMOMETER
-Type-C or Lightning

Get quick and accurate temperature checks using your own smartphone with the Smartphone Thermometer! Coming with the option of Lightning or Type-C connections, this handy thermometer is compatible with most modern smartphones. Simply plug in to the charging port and the thermometer will power up, no need to download any extra apps. Hold the thermometer 2-5cm away from the person that needs to be tested and the screen will automatically show the temperature reading on the display. Coming with a generous branding area, the Smartphone Thermometer is a great way to show off your brand safety!
