

WIRELESS CHARGING PEN HOLDER

Charge your wireless enabled mobile devices without connecting a cable with this unique two in one desk accessory. Simply plug the product in, place your mobile phone on the stand and wait for the charging notification to appear. The charger also allows you to store your stationery accessories like pens, pencils and rulers. Not only supporting wireless charging, the Wireless Charging Pen Holder features two USB outputs meaning you can charge multiple devices at once. Coming with two generous branding areas on the front & back, this is the perfect desktop accessory for showing off your brand.
