Travel the world without the stress of trying to find the right travel adapter! The Worldwide Travel Adapter has 4 different plug conversions, compatible with US, Australian, European and UK plug standards. The adapter has two built-in high quality fuses, protecting any surge of electricity or short circuiting that could damage your devices or cause excessive heat. The product comes with one back-up fuse. The Worldwide Travel Adapter can power all of your devices at once, with 3 USB-A ports, a Type-C charging port and a PD20 Fast Charging Type-C port. With branding to the front and top of the adapter, the Worldwide Travel Adapter makes for a great premium promotional product.
